2. ASSIGNMENT OF SPACE

The initial assignment of exhibit booths will be made from the exhibitor contracts received on or before 5:00 p.m. Eastern Time, December 1, 2022, and accompanied by full payment. NCKP will assign booths and tables at its discretion and without any guarantee that an exhibitor will be assigned their preference. The initial assignment of exhibit booths and tables will be based on, but not limited to, consideration of the following factors:

- Date of receipt of exhibitor contract and total payment
- Number of exhibit booths applied for the current year and any previous years
- Previous compliance with NCKP's Exhibitor Rules and Regulations

NCKP, in its sole discretion, may also take into account the history of previous NCKP conference participation by (i) an affiliate of the applying exhibitor, (ii) a previous exhibitor whose assets have been acquired by an applying exhibitor, or (iii) an applying exhibitor with a history of sharing exhibit booths. Such factors will be given consideration along with the demand for the desired exhibit booth(s), the needs and purposes of the Event, and other factors. This additional deliberation will not necessarily result in assignment of exhibit booth(s).

Assignment of exhibit booths for contracts received after December 1, 2022, will be made on a first-come, first-served basis in accordance with the factors previously stated herein. Requests for specific booth locations will be honored to the extent possible. Specific requests by one exhibitor to be located adjacent to another exhibitor will be honored to the extent possible. Exhibitors who desire separate but adjacent booths for wholly owned divisions or exclusively distributed companies must state this in their application. No booth space will be assigned until payment in full has been received. All or any portion of the exhibit space covered in this contract may not be reassigned to any other firm or individual by the contracting exhibitor without the consent of NCKP. NCKP shall have full discretion and authority in the placement, arrangement and appearance of all exhibits. NCKP is authorized in its sole discretion to require the modification or removal of any exhibit that is deemed to be unlawful, a violation of these Rules and Regulations, offensive, or which detracts from the general character of the exhibition. For purposes of these Rules and Regulations, "exhibit" includes the exhibitor, or the employees and agents, their behavior, demeanor and appearance, the content, appearance and operation of the exhibit, printed materials, music, sounds, visual images, or anything of a character connected with or related to the exhibit.
