## Student Management

All your student details in one convenient location! Organize student groups, update family contacts, and send mass emails.

## Lesson Scheduling

Schedule private & group lessons, take attendance, and write lesson notes. Plus, set up automatic lesson reminders!

## Invoicing & Auto Pay

Create detailed, professional invoices for your students. Integrate with Stripe or PayPal to collect payments automatically!

## Student Portal

A one-stop shop for families - students and parents can sign in to register for lessons, read notes, track practice time, upload and access files, and more!

## Website Builder

A visual, drag & drop web builder - you don't need to be a web developer to have a professional website for your business!

## Multi-Teacher

Easily add other teacher accounts! Calculate payroll and customize which features your teachers can access.

## Integrate with your favorite apps

stripe

PayPal
