Sheet music

On top of all the resources, we're also THE most supportive and encouraging group of teachers on the internet. We believe music education is for everyone and that inclusivity extends to our teacher community, too.

Join the **VIVID** **PRACTICE** **REVOLUTION**

Organize your assignments like never before!

- Create templates with notes, audio and video ready to go
- Keep track of what students are working on and lesson plan with ease
- Allow your students to message you to ask quick questions
- Set up groups to assign quickly to multiple students
- The teacher website and student app connect seamlessly together
