

How SproutBeat Works

1

Constantly Expanding Library

From 375 worksheets to over 3,700 interactive games and worksheets - bringing learning to the next level.

2

Resources for All Your Students

With 3,700+ activities, there's always something for your students - from the Music Alphabet to Ear Training and Figured Bass.

3

Design Your Perfect System

With pre-organized resources for different methods and curricula, you can still build a system that fits your unique style.

4

No emails or printing

With all the built-in tools for a seamless online assignment system, each student just needs an account to get started.

5

Plans starting at \$9/month*

Our basic plan includes full library access and 5 student licenses for online assignments. Additional licenses are available for purchase.
